The Secretary to Government
Food and Agriculture
Department
Fort St. George
Madras.

T.2. 591/52 dated 31.7.52.

Sir,

Sub: AGRICULTURE - Departmental vehicles - Station Wagon at the Agricultural Research Station, Bellary Repairs and renewal of spares

Ref: Arising

...

The Departmental Station wagon MDB 508 is working at the Agricultural Research Station, Bellary since 1.5.48 and is engaged in daily trips from Agricultural Research Station Bellary (Nagari), to Bellary town nearly 12 miles off. As the Agricultural Research Station is situated in an out-of-the-way and isolated place where no facilities exist for medical help, staff quarters, market etc., the wagon has been given by the Government as an amenity to the members of the staff.

This wagon has, of late, been going into repairs very often thus dislocating the normal work of the station. It is an old vehicle even when it was obtained from the Regional Malariologist, Bellary and hence it was thought desirable to give it for a major overhaul instead of frequent minor repairs.

3. The vehicle has accordingly been given for major repairs to M/S Bellary Garage, Bellary, the only Government recognised workshop there and got repaired. The Area Transport Officer (North) Vijayawada has also passed the firm's bills for Rs.914.6.0. The repairs were also previously recommended by him.

4. I, therefore, request that Government may be pleased to sanction a sum of Rs.914.6.0 towards the repair charges for station wagon MDB 508 under 40. Agri - C - Experimental Farms - A - [illegible] - Contingencies - Voted - Other contingencies. This amount is being included in my revised budget estimates for 1952-53. I also request that Government may be pleased to approve my action in having incurred the expenditure in anticipation of sanction to avoid delay.

5. The proforma is enclosed.

Sd. B.L. Lakshmipathy,
Joint Director of Agriculture.

/ by order /

C.R. Thanumalayan 1/8/52.

1.8.52. ASSISTANT AGRICULTURAL [illegible]
